

# NORTHERN AIR CARGO GAME SHIPPING PROGRAM

## HOW DOES THE GAME SHIPPING PROGRAM WORK?

Northern Air Cargo Game Shipping Program provides peace of mind that your game will be transported safely. Hunters pack their own game, closing and securing the box for transportation.

## SHIPPING OPTIONS

### IF USING NAC BOX, IT'S AS SIMPLE AS PURCHASE, PACK & SHIP:

- Boxes are sold for \$60, including box, lid and adequate tape to secure the box.
- Shipping cost is in addition to the price of the box.
- All game meat, capes, horns, antlers, etc. must fit into the box with the lid closed and sealed flat.
- Weight limit per box is 700 lbs.
- Exterior of the box must be clearly marked with name, address and phone of receiver and shipper.

### BOX SPECIFICATIONS:

- 48" x 40" x 36"
- \$60 per Box
- Double Wall Corrugated
- 700 lbs. Capacity

### IF PREPARING GAME IN THE FIELD, IT'S AS SIMPLE AS:

- Use a box imprinted with **"Approved for Airline Transport"**. Commonly used are fish boxes lined with Styrofoam.
- Box must be **NEW** and completely **CLEAN** for transport.
- All meat must be completely frozen prior to shipping.
- Personal coolers, buckets, and other multi-use containers will not be accepted.

Our shipping policy is designed to keep you and our aircraft safe from cross-contamination and corrosive material.

## BE PREPARED

- Game is considered to have no commercial value and is not eligible for claims, insurance, or declared value refund.
- Proxy paperwork for Food Bank donation or designated third party pick-up must be filled out in advance of shipment.
- Availability of freeze and chill service is very limited. Check with the location you are shipping out of for availability.
- Game left longer than 24 hours after arrival in Anchorage will incur holding charges of \$25 per day.
- NAC Anchorage warehouse has freeze and chill capabilities with limited space.
- Items must be marked FREEZE or CHILL if service is requested.
